

Bradford County Home Education Program

Request To Participate In An Extra-Curricular Activity

To Be Completed By Parent

A Bradford County home education student may participate in a school sponsored extra-curricular activity. The student who wishes to participate must meet the same requirements as the full-time student as well as the same standard of acceptable behavior. The parent of the home education student must also demonstrate that the child is making educational progress by providing the Director of School Improvement with:

- A description and explanation of procedures used for demonstrating educational progress.
- A description of the curriculum, books and materials being utilized in the home education program.
- An explanation of the grading standards being used and how they relate to the curriculum.
- Access to the curriculum portfolio.
